At K J Lack Family Funeral Service Ltd, we pledge to give the best possible care and consideration to the deceased and the people they leave behind, and to assist with any special requests to make the Funeral more personal. Viewing your loved one will be at your convenience with an appointment either during or out of office hours, enabling you to have time and privacy for your personal thoughts. Personal items may be placed in the coffin if you wish. Jewellery may be left on the deceased, but please be aware that during the process of cremation, gold does not disperse but simply melts. We would advise that when cremation is chosen, a member of the family should keep any jewellery in the memory of the loved one.
